

# Voters EXEMPT from Photo ID

- If voter has notation of an "(E)" on his or her voter registration certificate after the VUID number, it is not necessary for voter to have one of 7 forms of ID listed under Section 63.0101. Notation means voter is exempt from ID requirement under Section 63.0101 because voter is disabled.
- To obtain exemption, at time applicant submits a voter registration application (or at a later date if voter submits information at a later date), voter submits (a) written documentation from the United States Social Security Administration evidencing he or she has been determined to have a disability or from the United States Department of Veterans Affairs evidencing he or she has a disability rating of at least 50%, and (b) a statement in a form prescribed by the Secretary of State that he or she does not have a form of identification acceptable under Section 63.0101.

## **Suspense Voters & Voters Who Have Moved**

Before voter who is otherwise qualified to vote will be accepted for voting, he/she must complete a statement of residence ("SOR") if:

1. There is an "S" notation next to voter's name on the list of registered voters and voter still resides in the county where registered.
2. If voter responds in the negative to the question, "Is the residence address in the list of registered voters still your correct address," but still resides in the county of registration.

# Combination Forms

- Combination forms are to be used when the voter has been omitted from the EA Tablet pollbook or in the event the EA tablet is not operational.
- Combination forms are to be used when voter has a “substantially similar name” and is not found in the EA Tablet, but is found on the Printed Poll list.
- Poll worker will refer to the printed poll list, verify voter’s information, and stamp next to voter’s name “VOTED”.
- Print the voter’s name, address, certification number, and precinct number, initial any appropriate affidavit, and then have the voter sign the form.

# VOTER NOT ON THE LIST

## SECTION 63.006

Voter accepted for voting under Section 63.006, even though name not on list of registered voters, and election worker puts voter's name on registration omissions list, if:

1. Voter has one of 7 forms of ID required under Section 63.0101; **and**
- 2(a). Voter has voter registration certificate showing that voter is currently registered in the precinct in which the voter is offering to vote,

**OR**

2(b). Voter has voter registration certificate showing he/she is currently registered in a different precinct in the same county as the precinct in which he/she is offering to vote and voter signs an affidavit (found on the combination form) stating:

- he/she is a resident of the precinct in which he/she is offering to vote or is otherwise entitled by law to vote in that precinct,
  - he/she was a resident of the precinct in which he/she is offering to vote at the time the information on voter's residence address was last provided to voter registrar,
  - he/she did not deliberately provide false information to secure registration in a precinct in which he/she does not reside, **and**
  - he/she is voting only once in the election.

## **Comparing ID Document Name to that on List of Registered Voters**

- If voter's name on voter's ID is identical to that on the list of registered voters, voter is accepted for voting.
- If voter's name on voter's ID is not identical to that on the list of registered voters, then the election worker must determine if voter's name is "substantially similar" to that on the list of registered voters before voter is accepted for voting.

## “Substantially Similar”

### **§ 63.001(c); 1 T.A.C. § 81.71**

- In determining whether voter’s name on voter’s ID and on list of registered voters are “substantially similar,” election worker should consider whether **information on the presented ID document matches elements of voter’s information on official list of registered voters, such as voter’s residence address or date of birth**, which may be strong indicators that the name on the presented ID document is substantially similar to the name on the official list of registered voters and vice versa.

# EA TABLET NOT OPERATIONAL

- If the EA-Tablet pollbook is not operational, remember to use your printed poll lists to verify the voter.
- The EA-Tablet pollbook and the Ivotronics are NOT connected in any way. Just because the EA-Tablet pollbook may not be working, does not mean a voter must vote a paper ballot.
- Write the information for the voter on the Combination Form (Certificate No., Name, Address, & Precinct No.) and let the voter sign.
- Be sure to stamp “VOTED” next to the voter’s information in the printed poll list.

# EA TABLET NOT OPERATIONAL

## Part 2

- On Election Day the printed poll lists will be printed on green bar computer paper and placed in the side pocket of the Black Transfer Bag.
- The only poll lists placed in the bag will be for the precincts that usually vote at your location.
- If a voter does not appear on your printed list(s), contact Voter Registration for assistance in qualifying the voter.

# PROVISIONAL VOTING

# Provisional Ballots

- A Provisional Voter must vote a paper ballot.
- Please review carefully the procedures for Provisional Ballots and fully complete the ballot envelope.
- Always contact the Voter Registrar's Office before completing the Provisional Ballot Envelope to determine in which precinct, if any, the voter is registered.
- If the voter is registered in another precinct, direct the voter to the correct polling place.

## Reasons to Issue a Provisional Ballot

1. Voter does not have one of 7 forms of ID required by Section 63.0101.
2. Voter has no voter registration certificate and is not on the list of registered voters under Section 63.009.
3. Voter's name on ID documentation is not substantially similar to that on the list of registered voters.
4. An annotation next to the voter's name indicates that the voter voted early, either by mail or in person.
5. Voter has moved outside county of registration.

## Affidavit of Provisional Voter (Declaración Jurada de Votante Provisional) (Ballot number if using DRE \_\_\_\_\_)

**TO BE COMPLETED BY VOTER:** I am a registered voter of this political subdivision and in the precinct in which I'm attempting to vote and have not already voted in this election (either in person or by mail). I am a resident of this political subdivision, have not been finally convicted of a felony or if a felon, I have completed all of my punishment including any term of incarceration, parole, supervision, period of probation, or I have been pardoned. I have not been determined by a final judgment of a court exercising probate jurisdiction to be totally mentally incapacitated or partially mentally incapacitated without the right to vote. I understand that giving false information under oath is a misdemeanor, and I understand that it is a felony of the 2nd degree to vote in an election for which I know I am not eligible.

**PARA QUE EL VOTANTE LO LLENE:** Estoy inscrito como votante en esta subdivisión política y en el precinto en cual estoy intentando a votar y aun no he votado en esta elección (en persona o por correo). Soy residente de esta subdivisión política, no he sido definitivamente declarado culpable de un delito grave o si soy el autor de un delito grave, he cumplido toda mi condena inclusive el período de encarcelamiento, la libertad supervisada, la libertad vigilada, o he sido indultado. No me han determinado por un juicio final de una corte de la legalización de un testamento, ser totalmente incapacitado mentalmente o parcialmente incapacitado sin el derecho de votar. Entiendo que dar información falsa bajo juramento es un delito menor y también entiendo que es un delito grave de 2º grado votar en una elección sabiendo que no cumplo con los requisitos necesarios.
